BSBWHS401A Implement and monitor WHS policies, procedures and programs to meet legislative requirements.....	1
About this Learner Guide .....	10
Definitions .....	11
Hard facts .....	13
External sources of assistance .....	13
Online information .....	13
<b>SECTION 1 WHS MANAGEMENT SYSTEM AND POLICY.....</b>	<b>15</b>
WHS Management.....	16
A systematic approach to workplace safety.....	16
Overview of a system for managing WHS .....	17
Work Health and Safety Policy .....	20
The organisation’s commitment to health and safety.....	20
Content of the policy.....	20
Implementing WHS Management and Operational Controls.....	22
Resources.....	22
Help from external WHS sources .....	22
Engaging contractors.....	22
Onsite contractors, visitors and members of the public.....	23
Safe purchasing policy .....	23
Integration .....	24
Structure, Accountability and Responsibilities.....	24
Reporting structure and roles .....	24
Recording accountabilities and responsibilities.....	24
Role of the supervisor with WHS responsibilities.....	24
Typical WHS roles and reporting structure .....	26
<b>SECTION 2 HAZARD IDENTIFICATION AND CONTROL: MANAGING RISK .....</b>	<b>27</b>
Managing Risk.....	28
A risk management approach.....	28
Consulting workers.....	29
Hazard Identification.....	29
Typical hazards and harm .....	29
How employers identify hazards.....	30
Reporting hazards .....	32
Risk Assessment.....	33
When to do a risk assessment .....	33
How to do a risk assessment.....	33
Controlling Risks .....	36
Hierarchy of risk control .....	36
Risk control and the supervisor’s role .....	37
Report inadequacies in existing risk control measures.....	38
Monitor outcomes of reports .....	43
Review Risk Controls .....	44
Reviewing controls and a supervisor’s role .....	44

<b>SECTION 3 HAZARD IDENTIFICATION AND CONTROL: RANGE OF WORKPLACE HAZARDS.....</b>	<b>46</b>
Range of Workplace Hazards.....	47
Plant hazards (machinery, equipment and tools).....	47
Electrical Hazards.....	52
Residual current devices.....	52
Locking-out of equipment.....	52
Isolating equipment.....	52
Manual Handling.....	54
Identifying hazards.....	54
Reducing the risks of manual handling.....	54
Contributory factors.....	55
Hazardous Substances and Dangerous Goods.....	57
A single framework for hazardous substances and dangerous goods.....	57
What are dangerous goods?.....	57
Transporting dangerous goods.....	57
What are hazardous substances?.....	57
Hazardous situations in the workplace.....	58
Monitoring hazardous substances.....	58
Safety data sheets.....	58
Hazardous substance registers.....	58
Storage of hazardous substances.....	59
Atmospheric Contaminants.....	61
Types of atmospheric contaminants.....	61
Law and licensing.....	61
Warning signs and asphyxiation.....	61
Safety processes for atmospheric contaminants.....	62
Noise.....	63
Noise safety measures.....	63
Confined Workspaces.....	65
Controlling risks.....	65
Rescue drills and emergency entry and exit.....	66
<i>Further info</i> .....	66
Entry and Exits.....	67
Ergonomics.....	68
Occupational overuse syndrome (OOS).....	72
Computer vision syndrome (CVS).....	72
Good Housekeeping.....	76
Cleaning as a hazard.....	76
Cleaning to prevent hazards.....	76
Storage hazards.....	76
Work Area General Inspection.....	78
Personal Threats.....	80
Workplace violence.....	80
Workplace bullying.....	80
Sexual harassment.....	81
What is harassment?.....	81
Racial abuse.....	82
What kind of society do you want to live in?.....	82

Managing Stress.....	84
Symptoms of excessive stress.....	84
Causes of stress in the workplace .....	84
What can be done? .....	84
Strike that happy balance .....	85
Work smarter not harder.....	85
To do lists .....	85
Get focused and analytical.....	85
Use the tools of your trade effectively.....	86
Be tidy and organised .....	86
Take sufficient rest – eat good food.....	86
Exercise as a stress-buster .....	86
Express yourself .....	86
Security.....	87
Security arrangements .....	87
How to act in the event of an armed robbery .....	88
Drug and Alcohol Misuse at Work .....	89
Smoking .....	89
Alcohol .....	89
Illegal/recreational drug use.....	90
Prescribed drugs or medicines.....	90
Are drink or drugs affecting a worker’s performance?.....	90
Position of employers.....	90
Position of workers.....	91
Seeking help .....	91
Standard Controls .....	92
Standard operating procedures .....	92
Personal protective clothing and equipment .....	93
Family friendly policies and work life balance .....	96
<b>SECTION 4 CONTINGENCY PREPAREDNESS, FIRST AID AND INCIDENT NOTIFICATION.....</b>	<b>98</b>
Emergency Preparation.....	99
Emergency plans .....	99
Work team emergency preparedness.....	99
Onsite visitors and contractors .....	100
Fire emergencies.....	101
Classes of fire .....	101
Fire extinguishers .....	102
Firefighting .....	103
Other firefighting equipment.....	103
Storing flammable substances .....	104
Other Emergencies .....	104
Hazard Warning and Safety Signs .....	106
HAZCHEM Codes .....	106
Classes of dangerous goods .....	107
Medical Emergencies .....	108
Basic life support .....	108
DRSABCD of First Aid: Basic Life Support .....	109

Burns .....	114
Electric shock.....	114
First aid kits .....	115
<b>SECTION 5 PARTICIPATING IN THE MANAGEMENT OF HEALTH AND SAFETY IN THE WORKPLACE</b>	<b>116</b>
Employer/Employee Consultation .....	117
Consultation under the Model WHS Act.....	119
What are the options for a consultation framework? .....	120
Consultation and worker’s rights .....	124
Shared duties .....	124
How should a supervisor support consultation? .....	124
Deal with issues raised through consultation.....	126
Communicate the outcomes of consultation .....	126
Integrating worker participation in the system of WHS management.....	128
Further information.....	128
<b>SECTION 6 HEALTH AND SAFETY LAWS, REGULATIONS AND CODES OF PRACTICE .....</b>	<b>130</b>
WHS Legislation .....	131
Nationally harmonised WHS law.....	131
Common law duty of care.....	131
Applicable law .....	131
State and Commonwealth WHS legislation .....	132
Model WHS Act .....	136
Responsibilities under the Model WHS Act.....	137
WHS regulations.....	141
Penalties and enforcement.....	141
Identifying legislative and other requirements .....	143
<b>SECTION 7 IMPLEMENT AND MONITOR ORGANISATIONAL PROCEDURES FOR WHS TRAINING ...</b>	<b>146</b>
Identify WHS Training Needs.....	147
WHS training and awareness programs .....	147
Identifying training needs .....	148
Certification and competency requirements.....	149
Make Arrangements to Meet WHS Training Needs .....	150
Internal and external training .....	150
WHS training plan.....	151
Provide workplace learning, coaching and mentoring opportunities .....	153
New employee induction.....	153
Coaching and mentoring assistance.....	156
Performance reviews.....	156
Disciplinary process .....	156
Counselling service .....	157
Identify and Report Training Costs .....	158
Training records.....	158
Training costs .....	158

<b>SECTION 8 RECORD AND MONITOR WHS .....</b>	<b>159</b>
Planning.....	160
WHS management plans .....	161
WHS Information, Recording and Reporting.....	164
Legal requirements.....	164
Register of accidents and ‘near misses’ .....	164
Records of health surveillance .....	164
Confidentiality .....	165
Records of employee drug and alcohol use.....	165
WHS management file.....	166
Notifiable Incidents.....	168
What is a notifiable incident? .....	168
Do not disturb the incident site .....	168
Timeframes for notifying an incident.....	168
How to notify an incident .....	169
Notifiable incident record keeping.....	169
Recording accidents and incidents that are not notifiable .....	169
Keeping Risk Management Records .....	171
Risk management register.....	172
Measurement, Evaluation and Corrective Action .....	173
Inspecting, monitoring, measuring .....	173
Testing and monitoring for specific hazards.....	173
Objectives of inspection and monitoring .....	173
Management action points.....	174
Preventive and corrective action .....	175
WHS Auditing and Management Review .....	176
External WHS assistance.....	176
Internal audit action points .....	176
Audit agenda .....	177
<b>SECTION 9 PROVIDE INFORMATION TO THE WORK TEAM .....</b>	<b>179</b>
Provide WHS Information to Work Teams.....	180
Ways of presenting information to work teams.....	180
Provide information about the organisation’s WHS policies, procedures and programs	181
Provide information about WHS Acts, Regulations and Codes of Practice.....	183
Provide information to work teams about hazards and controls.....	184
<b>ASSESSMENT .....</b>	<b>186</b>
